Dear Friends:

It gives us great pleasure to welcome you to the fourth International Conference on Angiogenesis Research at Saroj Gupta Cancer Centre and Research Institute, Kolkata, in association with National Centre for Cell Science, Pune, on 21st September 2017. This year's theme is anti-angiogenic therapy in human diseases and tumor microenvironment. Apart from scientific presentations, we will also hold panel discussion to explore areas of translation in patient care.

A large number of reputed scientists and clinicians from various organizations in India and abroad are expected to attend this conference. The conference will focus on the promising area related to pro-and anti-angiogenic research in human diseases. This conference will bring together researchers and clinicians in this field to foster exchange of ideas and establish collaborations.

We hope you would join us in making this conference a great success.

Yours sincerely,

Dr. Arnab Gupta
